ECPA OotM Regional Tournament
Saturday, March 7, 2026

Millersville University has been generous enough to allow us to use their facilities for our tournament. In so doing, they ask that we do not damage their facilities especially the floors. There is a line item in the program guide (see below) that addresses this issue. Please read it and sign the form below so that we know you are aware of this penalty. Please email the form back to Zina Jensen at clearances.ec@paodyssey.com by March 4, 2026. Thank you for your cooperation.

In the Odyssey of the Mind 2025/2026 Program Guide Chapter 5: (20) it states:

Damage to the floor: Teams must be careful not to cause damage to a competition site at any time. Remember, floor damage can occur when moving props as well as during the performance. Judges will examine the condition of the floor before each performance. If a team damages the floor, whether intentional or nonintentional, the team is financially responsible for any repairs necessary and subject to penalty in the following degrees:

- Scuff that is removable with soap and water will not be penalized.
- Scuff that cannot be removed with soap and water, but there is no other damage: 15 points.
- Stain on a carpet: 25 points.
- Damage to the floor that requires new varnish: 25 points.
- Carpet tear or damaged tile: 50 points
- Damage to the floor that requires sanding and new varnish: 50 points.
- If, during the presentation, the team causes damage to the floor and does not stop after being warned by the judges: 100 points and the judge will call "time" and stop the presentation.
- If, prior to the presentation, judges determine that a solution or part of a solution will likely cause damage to the floor, they may prevent the team from presenting its solution or that part of its solution.
- If the team causes intentional damage to the floor: 200 points and the judge will call "time" and stop the presentation.
